Dear Sasha Togmus and Staff of St Elizabeth's Village:

It has been a tough year for those facing food insecurity but donations like yours allow families to put food in their fridge and dinner on their tables.

Thanks to your generosity, parents will feel comforted knowing they can pack nutritious snacks in their child's lunch; seniors will be relieved to pay their rent without worrying how they'll afford groceries; and families will enjoy meals around a table together.

**Thank you for bringing security and relief to our neighbours in need this fall.**

As the lines continue to grow at the food banks in our emergency food network, donations like yours ensure that Hamilton Food Share can continue stocking their shelves. As more people access meal programs to reduce their financial burdens, your donations ensure that a hot plate is available when someone is in need.

Your kind gift shows how much you care about those experiencing hunger in our city. Your donation of 9230 pounds of nutritious food will support our member agencies that operate 23 hunger relief programs across our city! Thank you so much.

I am new to Hamilton Food Share, and the emergency food sector, but one thing is clear, **we couldn't fight hunger in Hamilton without donors like you!**

I'm excited to learn more about the needs of our neighbours and committing myself to our mission of working together toward a hunger-free community.

Sincerely,

Radhika Subramanyan
